

Lisa Marie's Music Programs

2017-2018

Come learn how to play the recorder or a band instrument, read music, and have fun doing it in a weekly music class taught by an experienced teacher and professional player. It is a known fact that students who take a musical instrument do better on their academic scores. Besides weekly lessons, students will participate in concerts. The band and recorder classes are being offered to 3rd – 8th graders, depending on the school. Enrollment is available for the 2017-2018 season. Classes can fill up fast so we recommend signing up as soon as possible. Classes are held at each school's campus and start in September and go through May.
